

Welcome to the Valley Grove School District!

We are located in northwest Pennsylvania, in beautiful Venango County. The district covers about 63 square miles and serves the communities of Rocky Grove, Sugarcreek Borough, Reno, Cooperstown and Jackson Township.

The mission of the Valley Grove School District, in partnership with the community, is to provide the opportunity for each student to obtain a comprehensive and quality education.

The Valley Grove School District is focused on the individual needs of each student and provides opportunities ranging from College in High School to career education and preparation through the Venango Technology Center.

In addition to our core educational programming, we are proud of our opportunities in vocal and instrumental music, the arts, and athletics as well.
